## Imagine my surprise....

One summer a few years ago, my son and I visited the UK.

He joined an activity summer school in Cambridge. There, he enjoyed many activities including football, swimming, drawing and singing.

On the last day, there was a final event in the sports hall, which was a chance for the children to show the skills they had learnt as the parents watched.

Imagine my surprise, standing next to me was an athletic guy who looked familiar, but I couldn't remember his name.

Later, I realized that he was a member of a British Olympic gold medal winning team from the 1990's. His son was at the summer school, too.

I wanted to say something but I couldn't think what to say. I worried that I might be embarrassed if he was a different person!

Oh, well. A missed opportunity.
