

# Quiz Me! Conversation cards

## How to use (Best played with 2-6 players)

- Shuffle the pack and deal 6 cards to each player.
- Place the remainder face down on the table.
- Turn the top card face up and start a new pile.
- Decide the direction of play. The first player lays a card that **matches the number or colour on the top card of the new pile.**
- Read the card to the next player. They reply with a full sentence.
- No matching card? Take a card from the pack
- and follow the instruction icon in the top right corner of the card, but **KEEP THE CARD.**  
**See the Symbol Key for instructions.**
- The winner is first to use all their cards, or have the fewest cards left when a time limit is reached.
